Akash Mondal

Full Stack Web Developer

Personal Profile

Observant and detail-oriented aspiring full stack developer specialization at MERN stack. I have developed collaboratively 2 major projects such as the toymarch.com clone and Bodyandbathworks.com

Work Experience

Organisation: Think and Learn Pvt Ltd.(Byjus)

Position: BDA

Duration: 2022-09 to 2022-12

ROLES: contacting potential customers (parents and students) to set up meetings, and counsel the students on learning pedagogies and the BYJUS personalized learning journey.

Projects

Bath and body works clone

Bath and bodywork is an E-commerce website, that sold grooming and hygiene-related products.

Features

- home page, login and signup page, products page, products display page, cart page, wishlist page, address, and payment page.

Tech-Stack

HTML | CSS | JavaScript | Git

Area of responsibility

- I have developed 3 pages such as products display page, the cart page, and the wishlist page, along with rectifying the major bugs on the webpage.

Toymarch clone

Toy march is an E-commerce website that sold toys all over the pan USA.

Features

- home page, login and signup page, products page, products display page, cart page, wishlist page, address, and payment page.

Tech-Stack

HTML | CSS | JavaScript

Area of responsibility

- I have developed 3 pages such as products display page, the cart page, and the wishlist page, along with rectifying the major bugs on the webpage.
