Profile

Observant and detail-oriented aspiring full stack developer specialization at **MERN stack**. I have had made collaboratively **6 major projects** such as the **Toy-march.com clone, Bodyandbathworks.com, My store E-commerce, Trip advisor.com clone, Expedia.com clone, Carb manager.com clone.**

Employment History

Business Development Associate, Byjus, Kolkata, India

SEPTEMBER 2021 — DECEMBER 2022

I used to connect with random leads on Phone calls, set up meetings in zoom meetings or their Home for physical meetings, counsel the students and both parents and help them to understand where the student is lagging & how Byjus can help them with the problems and learning and assist them in becoming premium subscribers.

Education

Full Stack Web Developer, Masai School.

DECEMBER 2021 — DECEMBER 2022

I have learned here Full stack web development with Html5, Css3, JavaScript, React, Node js, Express, and Mongo Db. along with professional skills.
